# Get help with the Danish language

## Book a time at [www.sprogland.dk](http://www.sprogland.dk)

At [sprogland.dk](http://sprogland.dk) you can book a time with a volunteer from Red Cross to practice Danish. You can, for example, practice conversational Danish, get help with pronunciation of words or prepare for your oral exam in Danish.

The volunteers do not have a degree in education, nor are they experts, but they are apart of Sprogland because they want to help.

## A video call without using difficult programmes

You can use your computer, tablet or phone. The video call starts via a link sent to you and you can access it without having to install difficult programmes.

You can also access Sprogland via the app "Boblberg - find communities". Here you will find Sprogland under "menu".

You can download the app for free in the App Store on your phone.
